*Applicant.*

Notification dated 10th January 1957.

**No. M.L.P.R.C. 1190—56-57.** Notice is hereby given to the inhabitants of Mudigere Town Municipality that the Municipal Council desires to adopt and introduce the Model Bye-laws framed by Government in their Order No. L. 10743—M.L. 138-55-28, dated Bangalore, 11th October 1956, prescribing the conditions or subject to which and the circumstances in which licences may be granted, refused, suspended, or withdrawn for the use of places for packing, pressing, cleansing, preparing or manufacturing by any process whatever of cement or flour within the limits of the Mudigere Town Municipality. A copy of the said Bye-laws are kept in the Municipal Office for inspection by the public on all working days during office hours.

Any inhabitant of the Municipality objecting to the proposed adoption of the Bye-laws may within one month from the date of publication of this Notice in the *Mysore Gazette*, send his objection, in writing, to the Municipal Council. Any objection received after the prescribed time will not be taken into consideration. Draft Bye-laws are appended.

**M. ABDUL AZIZ,**  
*President.*

1. (a) No person shall use any premises within 200 yards of any human habitation for packing, pressing, cleansing, preparing or manufacturing by any process whatever of cement or flour.

(b) Flour Mills with 5 H.P. or below 5 H.P. motors can be installed in the limits of the Town and the working hours should be between sunrise and sunset.

2. (a) The premises shall be liable to inspection between 6 A.M. and 6 P.M. by the officers of the Department of Public Health not below the rank of Junior Health Inspectors, or by the Municipal authorities authorised in that behalf.

(b) The licence and the medical certificates of the employees that are required to take such certificates should be always available on the premises.

(c) An inspection book for the use of the inspecting officers should be maintained on the premises and all the directions recorded by inspecting officers should be carried out by the licensee.

3. The license to be granted shall be in the form specified in the schedule to these bye-laws.

4. Every person who uses any premises for any of the purposes referred to in Bye-law No. 1 shall provide sufficient supply of pure and wholesome water in such premises and shall cause such premises to be thoroughly cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

5. He shall cause all materials which have been received upon such premises and which are not required for immediate use to be stored in such manner and in such

a situation as to prevent the emission of any dust, or other impurities therefrom.

6. He shall adopt and shall cause to be maintained at all times in good order and efficient action all such means, and appliances for rendering innocuous all dust, dirt or other impurities emitted during any process either from the articles operated on or from the contents of any cask, tank, vat, pan, vessel, bag or utensil, trough or other receptacle upon such premises.

7. He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot lime washed twice at least in every year in the months of April and October or more often if so required by the President.

8. He shall cause every part of the internal surface of the walls and floor or pavement upon such premises to be kept at all times in good order and repair.

9. He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

10. He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

11. He shall at all times adopt and cause to be maintained in good order and efficient action upon such premises all such means and appliances as the President may from time to time require for the purpose of preventing injury to any person employed therein or for preventing, abating or minimising any nuisance or annoyance to the neighbourhood or to the public.

12. He shall cause all refuse or other matter which may have fallen or have been deposited upon any part of such premises to be collected and deposited in suitable covered air-tight non-absorbent receptacles or places to the satisfaction of the President. He shall cause all refuse to be removed from the premises at least twice in every 24 hours to the dust-bin or any receptacle or cart provided by the Municipality.

13. He shall not permit or suffer any part of the building in such premises to be used at any time for purposes of human habitation.

14. He shall cause such practical measures to be taken as are necessary for combating any outbreaks of fire and to prevent any nuisance caused by the dust, dirt or other impurities generated therein or by the noise from such engine, mill, machinery or press.

15. The moving parts of the machinery used should be protected to prevent any accident.

16. He shall not permit any work to be carried out in the premises between 6 P.M. and 6 A.M. without the written permission of the President.

17. Whoever commits a breach of any of the above bye-laws shall be punishable with fine which may extend to five hundred rupees.

M. ABDUL AZIZ,  
President.

#### BYE-LAWS.

1 No person shall use any premises, situated within 200 yards of any human habitation for storing, packing, pressing, cleansing, preparing or manufacturing skins, hides, leather, hoofs and horns.

2 (a) The premises shall be liable to inspection between 6 A.M. and 6 P.M. during the working hours by the Officers of the Department of Health not below the rank of Junior Health Inspector and by the Municipal authorities authorised in that behalf.

(b) The licence and the medical certificates of the employees that are required to take such certificates should always be available on the premises.

(c) An inspection book for the use of inspecting officers should be maintained on the premises and all directions recorded by inspecting officers should be carried out by the licensee.

3 The licence to be granted shall be in the form specified in the schedule to these bye-laws.

4 Every person who uses any premises for any of the said purposes shall provide sufficient supply of pure and whole some water in such premises and shall cause such premises to be thoroughly flushed, washed and cleansed as often as may be necessary and at least twice in every 24 hours and shall prevent any accumulation of filth or refuse therein.

5 He shall cause all hair, fleshings and refuse, fragments of skin or other matter detached from any hide or butt to be collected and placed in a suitable part of such premises to await removal therefrom. He shall cause all scraps of animal matter to be collected and stored in suitable water-tight non-absorbent receptacles properly covered which shall be emptied at least once in every 24 hours and finally disposed of in such manner as may be approved by the President.

6. He shall cause the hair, fleshings, and refuse fragments of skin or other matter detached from any hide or butt which have been so collected and which are not intended to be subjected to any further trade process upon such premises to be removed therefrom at least once in every 24 hours and to be disposed of in such manner as may be approved by the President.

7 He shall cause every beam, table, bench, knife, hammer or other implement or apparatus used upon such premises for the purpose of unhairing, fleshing, rounding, scudding or stalling any hide or butt or in any other process of his trade to be thoroughly cleansed as often as may be necessary and shall prevent any accumulation of filth or refuse upon such beam, table, bench, knife, hammer or other implement or apparatus.

8 He shall—

— cause all waste lime which has been taken out upon such premises to be forthwith deposited in a vessel or receptacle or in a properly constructed

— every vessel, receptacle, cart or carriage, to be properly covered in such a manner as to prevent the emission of noxious or injurious fumes or odours therefrom; and

— lime to be removed from such premises at least once in every 24 hours and disposed of in such manner as may be approved by the President.

434  
He shall cause all filth which has been splashed upon any part of the internal surface of any wall of any building upon such premises to be removed by scraping or by scrubbing with fresh lime or by other effectual means at least once a week or more often if so required by the President.

10 He shall cause liquid refuse before it is discharged into a public drain to be cooled in such manner as to prevent the emission of noxious or injurious effluvia therefrom and he shall not let or cause to be let into public drain any greasy or oily refuse matter.

11 He shall cause every part of the internal surface of the walls and ceiling of every building and every floor or pavement upon such premises to be kept at all times in good order and repair so as to prevent the absorption therein or percolation therefrom of any liquid, filth or refuse or any noxious or injurious matter which may be splashed or may fall or be deposited thereon.

12 He shall cause every part of the internal surface of the walls and ceiling of every building upon such premises to be hot-lime washed at least twice in every year in the months of April and October or more often if so required by the President.

13 He shall provide suitable means of ventilation and lighting upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

14 He shall provide suitable means of drainage upon or in connection with such premises and shall cause the same to be maintained at all times in good order and efficient action.

15 He shall not permit or suffer any part of the building in such premises to be used at any time for the purpose of human habitation.

16 Nothing in the above bye-laws shall be deemed to apply to the storing of leather or skin properly tanned and dressed.

17 Whoever commits a breach of any of the bye-laws shall be punishable with fine which may extend to five hundred rupees.
